

WATER GARDENS CINEMA 6

Gifts

Gift Certificates

Water Gardens offers individual gift certificates that are good for “one” admission each. They may be purchased at the concession counter whenever the theater is open for movies. The cost of each certificate is only \$3.00. They do not expire.

Gift certificates are perfect way to say thank you, happy birthday, for weddings or any other cost conscience gift.

Gift Cards

When you want to give a specific dollar amount, but not give cash, Water Gardens offers gift cards. A gift card is like a prepaid debit card. You purchase a card and load it with the dollar amount you want to give. It can be used for both admissions and concessions up to the value of the card. It can be reloaded with additional dollars when it runs low.

Gift cards are a continual reminder of your gift every time the it is used.
