

# WATER GARDENS CINEMA 6

## THEATER RENTAL

Thank you for contacting Water Gardens about renting a theater.  
This letter is to help you have a good experience with us.  
If you have any questions, please call and we will walk you through it.

### THEATERS:

We have six theaters with varying number of seats and configurations.  
Rental pricing is determined by the size of the theater and the time of the rental.

| THEATER    | #SEATS | PEAK  | OFF PEAK |
|------------|--------|-------|----------|
| #1 Stadium | 218    | \$660 | \$330    |
| #2 Slope   | 149    | \$460 | \$230    |
| #3 Slope   | 148    | \$460 | \$230    |
| #4 Stadium | 121    | \$375 | \$187    |
| #5 Slope   | 147    | \$460 | \$230    |
| #6 Slope   | 113    | \$350 | \$175    |

For example, if you rent theater #4 during a normally scheduled show time (PEAK), the price is \$375.

If you rent the same theater before or after our normally scheduled show time (OFF PEAK), the price drops to \$187.

Renting the theater means your group will have sole access to that theater during that show time.

### MOVIES:

Your rental includes a movie we are currently playing in that theater on the day of your event. You may also provide your own DVD which we can play for you, which includes PowerPoint presentations with sound.

We are a "sub-run" theater, as opposed to a "first-run" theater.  
We get movies approximately 6 to 8 weeks after they are "released" to first-run theaters.

Studios decide what to “hold over” and what to “drop” on Mondays.

We are notified on Tuesdays about our upcoming schedule;

- movies that are “released” to us
- movies we are going to “hold over”
- movies we are “dropping”

Changes occur on Fridays.

| SUNDAY | MONDAY         | TUESDAY                   | WEDNESDAY | THURSDAY | FRIDAY | SATURDAY |
|--------|----------------|---------------------------|-----------|----------|--------|----------|
|        | Studio decides | Water Gardens is notified |           | End1     | Start  | Day 2    |
| closed | Day 4          | Day 5                     | Day 6     | End2     |        |          |

For example, on Tuesday, we find out what we will be playing from Friday (Start) thru Thursday (End2).

New movies start on Friday (Start).

Hold-over movies will continue to play thru the following Thursday, but at a different time.

A movie we are dropping will end the first Thursday (End1).

Movie times and theater size are determined by how popular a particular movie is.

If we have a movie currently showing and it is popular, it is likely we will do a “hold over” for another week.

If a movie is not popular, even if it is new, it is likely we will “drop” it.

#### CONCESSIONS:

Food, snacks and drinks may be purchased ahead of time for your entire group or individually at the time of your event.

If you want to have a meal in your theater, you will need to notify us and make separate arrangements with a caterer.

Generally, your guests will have the easiest time with finger-ready and lap-friendly foods (the kinds we sell)☺

#### TIME:

Unless otherwise arranged, your event will begin and end during the times of a normally scheduled movie.

You should plan to arrive 30 minutes prior to your event.

You should plan to exit the theater as the movie ends.

The lobby is an appropriate place to gather before and after your event.

#### EQUIPMENT:

We provide the equipment you will need to watch a film or DVD.

We also have extension cords and power strips.

We have some small tables and chairs to help you with any special needs you bring with you.

If there is a question about equipment, please let us know ahead of time so we can make appropriate arrangements.

We look forward to hosting you at Water Gardens Cinema 6.

Thank you for your support.
